

LEVITATE

By Lisa McCormick

C F
We walked across the water
C F
Tripping light like Jesus
Am F
We walked across the water
C G
But no one would believe us

F C
But that's alright, we'll hitch a ride
G G
Back into town
F C
And dance the Mar Azul
G G
After the sun goes down

C F G G
We are beautiful
C F G G
Everybody's beautiful
Am F G G
It's all so crazy beautiful
F F
Why stay down?
G G
Why stay down when you can...

As soon as we can find them

Until we do, we'll ride with you
G G
Back into town

And drink the Mar Azul

And watch the sun go down
